

Competition Compliance Policy

WORLD FEEDS LIMITED

September 2020

World Feeds Limited is committed, together with all of its directors and employees at all levels, to complying with all applicable competition laws. Competition laws are designed to protect businesses and consumers from anti-competitive behaviour.

World Feeds Limited has adopted a robust compliance programme to achieve clear and unambiguous commitment to competition law compliance throughout the company (from the top down). The focus of the programme is to increase awareness of the key competition risks facing World Feeds Limited and to create a culture within the company according to which competition compliance is “the right thing”.
